The Practice is interested in involving Patients in decisions about how it might adapt its service to best suit the needs of YOU, the patients it serves

**Would YOU like to help?**

**Would YOU like to help?**

If you would like to become a member of the Patient Reference Group and influence the decisions the Practice makes, please enter your details and preferred method of contact on the Enrolment Form below.

Becoming a member would involve choosing a survey, maybe once or twice a year. The survey will be undertaken in the surgery. The Practice will feedback the collated views to the Practice patients by way of the Practice newsletter, surgery notice boards, website and email.

You will also be invited to attend meetings of the Patient Reference Group from time to time. The meetings will be held at either surgery. Attendance at meetings is optional.

**A survey will be due for  
distribution  
in early December**

**Your views and ideas are  
important to us**

Please complete the enrolment form below. Completed forms can be handed in at reception, the dispensary or posted to your usual surgery or submitted on-line to [gnandwprg@nhs.net](mailto:gnandwprg@nhs.net)
